2ND WITNESS STATEMENT OF JULIAN WHEATLAND

I, **JULIAN WHEATLAND** of 215 Cumnor Hill, Oxford OX2 9RG, company director, **STATE** as follows:

I am a director of each of the Applicant companies and am duly authorised to make this witness statement on their behalves (the “**6 Companies**”).

I make this witness statement as requested by The Hon. Mr Justice Hildyard over the course of examining the evidence before him and upon a request for further evidence to be filed.

3. As a director of each of the applicant companies and, further, having been a director of Emerdata Limited since 11 August 2017, I can confirm that Emerdata Limited is a holding company and that it does not intend to take over or carry on the business of the subsidiaries, the 6 Companies.
4. I can also confirm that, despite regrettable media supposition to the contrary, the employees working for the 6 Companies have not had their keycards and laptops seized. To the contrary, a notice of redundancy was issued and therefore the 6 Companies are in a consultation period with the employees in each case.

5. The Qualified Floating Charge over SCL Group Ltd recently agreed to be discharged by Barclays Bank PLC related to overdraft service that was not in debit or though I believe it had been used previously had not had prior to the beginning of the adverse media coverage.
6. I can confirm that prior to administration the 6 companies had 61 employees, all of whom worked for SCL Elections Limited.
7. At JW2 I exhibit the correspondence between Messrs Squire Patton Boggs and the Information Commissioner's Office ending on 4th April 2018 to the above witness evidence.

Statement of Truth

I believe that the facts stated in this witness statement are true.
